Dear Members,

We are having a Race Dates Committee Meeting on Wednesday, February 19, 2020 at 3:45 p.m. at the New Mexico Racing Commission Boardroom located at 4900 Alameda Blvd in Albuquerque.

The Chairwoman of the New Mexico Racing Commission, Beverly Bourguet, made the announcement at our Annual Meeting that she would like to see people come to these meetings and share their ideas.

If you are in town and have the time, you are welcome to attend.

I hope to see you there!

Sincerely,

Mary M. Barber

Those of you that took mares in foal out of the state of New Mexico, do not forget to get the association the return form prior to foaling. If we do not receive this form there will be a \$2,000 penalty when you go to register the foal.

Did you know the NMHBA offers an Export Broodmare program?

Here are some important facts you may need to know!

- First your mare **MUST** be registered with the NMHBA no later than September 1st of the breeding year or penalties will apply. It costs \$100.00 to permanently put a mare into the broodmare registry. Current membership is also required.
- In the case of Quarter Horses and Embryo Transfers **BOTH** the donor mare and the recipient mare must be registered with us. If you're ever unsure of the status of a broodmare, please call. We are more than happy to look them up.
- Your accredited New Mexico Broodmare must then be bred in New Mexico to an accredited NM Stallion. You can always check our website at nmhorsebreeders.com under the stallion directory for active stallions or call the office.
- Once an accredited New Mexico broodmare is in foal she may leave the state of New Mexico but the following requirements must be met:
 - The Form for a New Mexico broodmare to leave the state of New Mexico must be filled out and the \$500.00 fee paid for by October 1st of the breeding year. If you miss the October 1st deadline a \$2,000 fee will then be in place. If the mare should reside in New Mexico and then leave the state **AFTER** October 1st you will have ten days to submit the form and pay the \$500.00.
 - For embryo transfers you must pay for each mare that leaves the state.
 - Every Donor mare and every recipient mare that is taken to board out of state must have their own form filled out and you must pay \$500.00 for each or the larger \$2,000 penalty if the deadline is missed.

- An open donor mare DOES NOT have to come back to the state of New Mexico after leaving but does have to submit the form and pay the \$500.00 fee.
- Any mare carrying a New Mexico Bred foal MUST come back to New Mexico and submit the return form before foaling.
- If you are taking a mare out of New Mexico to participate in a sale
 - You still must fill out the form for her to leave the state, however, there is no fee to leave to go to a sale.
 - Your mare may leave 7 days before the sale and must return within 7 days of the completion of the sale OR you can pay the \$500.00 to keep her out of the state within 10 days.
- Prior to your foal being born you will need to submit the form for the mare in foal to return to New Mexico.
- You must bring your accredited broodmare back to New Mexico and the foal **MUST** be born here, no exceptions will be made.
- Once the foal has been born in New Mexico it may leave the state, it does not need to stay in New Mexico for any extended amount of time.
- Don't forget to fill out your membership application if you haven't already and submit your New Mexico Bred applications.
- Common misconception is you must wait until the foal is registered with either the American Quarter Horse Association or the Jockey Club. You DO NOT need to wait and its better if you don't, foals are only \$60.00 the weanling year to register. The registration can then be completed once the registration certificate becomes available. Your horse is not considered a NM Bred until it has been assigned a registration number.

Most importantly CALL, CALL, CALL!

If you ever have any questions or doubts PLEASE reach out to us we are always more than happy to help, there are no stupid questions and we would rather you have the correct information than have to pay high penalties or lose accreditation rights because things were not done correctly.

OWNERS!

Do not forget that all owners running a NM Bred on the track must be an active member of the NMHBA within 90 days of placing 1st, 2nd, or 3rd. If you do not comply you will forfeit your incentive awards. In 2019 owners forfeited approx. \$22,425.00 in awards due to non compliance. Tell your friends and continue to pass the word along!
