Export Broodmare return forms

Foaling season is fast approaching at just a couple of months away! Those that participated in the export broodmare program and took mares home out of state need to remember to submit their return forms as they start bringing their pregnant mares back to New Mexico to Foal. Fees do apply if a form is not on file prior to foaling.

Register your NM Bred foals before January 1st to avoid paying a higher fee!

Remember, you can **start** the NMHBA registration process the day your foal is born! You **DO NOT** need to wait until you receive the QH or TB certificates. But remember the horse is not an official New Mexico Bred until the certificates have been finalized.

Current membership is required in order to register any horses
