Export Broodmare  
Deadline

October  
1st!

All foals MUST BE conceived and born in NM to be eligible for NM Bred status. If a registered NM Broodmare in foal to a registered NM Stallion leaves the state of New Mexico

- this application and the \$500 fee must be postmarked no later than the deadline of October 1st of the breeding year.

- if the application and \$500 fee are NOT received by the applicable deadline, there is a ten day grace period and then the fee increases to \$1,000 for the foal to be eligible for NM Bred status.

- No fees are required, if the mare is consigned to an advertised sale out of the State of NM if this form is completed and returned to the NMHBA. The mare may then leave NM seven (7) days prior to the sale and must return to NM no later than seven (7) days after the completion of the sale for the foal she is carrying to maintain eligibility for NM Bred accreditation. If the Broodmare is not returned to NM, a grace period of ten (10) days will be granted for the \$500 fee to be paid for the foal to be eligible for NM Bred status.

**Membership Application**

***Current membership is required in order to register any horses***

Remember, you can **start** the NMHBA registration process the day your foal is born! You **DO NOT** need to wait until you receive the QH or TB certificates. But remember the horse is **NOT** an official New Mexico Bred until the certificates have been finalized.

Starting with Quarter Horse foals born in 2019, the breeder of record will be whoever owned the mare at the time of **conception**. QH foals born prior to 2019 the breeder of record will still be owner of the mare at time of foaling.

Thoroughbreds remain the same, owner at time of foaling.
