## PATSY HANCOCK

We would like to extend our most heartfelt condolences to the family and friends of Patsy Hancock who passed away on June 20, 2022.

A reminder of who she was...she was the RIGHT HAND of Paul Smith for decades.

She, at one time, was a striking young woman who was in the elite group of stars in California. She was a real horse woman who bred & raised some great New Mexico Bred thoroughbreds. She was such a hard worker and a friend to all of us and will be greatly missed!

## SAVE MONEY!!

You can start the NMHBA registration process the day your foal is born!

You DO NOT need to wait until you receive the AQHA or Jockey Club certificates!

## Online NM Bred Application

But remember the horse is **NOT** an official New Mexico Bred & **CANNOT** run in a NM Bred race until the certificates have been finalized by our office.

***AQHA papers must be stamped in our office.  
Jockey Club papers are "stamped" online.***

## EXPORTING BROODMARES

**All foals MUST BE conceived  
and born in NM to be eligible for NM Bred status.**

If a registered NM Broodmare in foal to a registered NM Stallion leaves the state of New Mexico:

- The application and the \$500 fee must be postmarked no later than the deadline of October 1st of the breeding year.

- If the application and \$500 fee are NOT received by the applicable deadline, there is a ten day grace period and then the fee increases to \$1,000 for the foal to be eligible for NM Bred status.
- Every donor mare and every recipient mare that is taken to board out of state must have their own form filled out and you must pay \$500.00 for each or the larger \$1,000 penalty if the October 1 deadline is missed.

**EXPORT BROODMARE  
RETURN FORMS BEGINNING WITH 2022 FOALS  
ARE NO LONGER REQUIRED!**

**You must still fill out the Export Form and pay \$500 per mare by October 1!**

**Online Export Broodmare Form**

**Export Broodmare Form (printable)**

# MARES CONSIGNED TO A SALE

- No fees are required if the mare is consigned to an advertised sale out of the State of NM if the form is completed and returned to the NMHBA.
- The mare may then leave NM seven (7) days prior to the sale and must return to NM no later than seven (7) days after the completion of the sale for the foal she is carrying to maintain eligibility for NM Bred accreditation.
- If the Broodmare is not returned to NM after a sale, a grace period of ten (10) days will be granted for the \$500 Export Broodmare Registration fee to be paid for the foal to be eligible for NM Bred status.

**The seller or buyer must notify the New Mexico Horse Breeders Association on the status of the broodmare in foal within seven days after the completion of the sale for the foal she is carrying to maintain eligibility for accreditation.**
