ELIMINATIONS

Each trial shall consist of not more than ten (10) horses. The trials shall be raced under the same conditions as the Stake. These horses shall be selected on a time basis. Times of horses in separate Trials will be determined by the Electric Timer. In the event horses in the same trial race are given identical times, the selection of which horses will participate will be determined by order of finish posted by the racing officials. No adjustments will be made in recorded time of Trials for head winds, tail wind, off track, or any other act of nature, etc. Should a mechanical failure occur with the Electric Timer on any time trial, finalists from that trial will then be selected by official hand timing, with stop watches operated by three (3) official, reputable and disinterested persons. If for any reason a tie exists, the horses involved shall draw lots to determine which shall participate in the Finals. Should a horse be disqualified, he will be given the time of the horse he is immediately placed behind plus 1/1000 of one second. If the front gates on the starting gate fail to open due to a mechanical failure, or if a horse is left behind the gate when the field is dispatched during the running of the Trials, such horse shall be declared a nonstarter and all nominating, sustaining and entry fees shall be refunded from the purse to the owner of said horse. During the running of the Finals, such horse will be declared a nonstarter and shall be classified as a scratched horse and shall be paid last place purse money in said race. The decisions of the Stewards in all matters shall be final and entries are accepted only on the condition that those persons nominating and/or starting a horse in the Trials and/or Stake, agree to abide by the decision. If any part of any entry is disqualified, it may disqualify all of the entry. All rules or new rules adopted by the State Racing Commission of New Mexico supersede any condition of this race. The Downs at Albuquerque Inc., reserves the right to hold trials for this race on a non-race day, if those trials are not run on the dates shown on this blank. The starting gate will be moved for renovation of the racing surface between each trial. There will be a two horse also eligible list which will be determined by time. Results of trial race drug tests must be received before entry to the finals. Should there be a positive drug test among the qualifiers, the New Mexico Racing Commission will notify the Downs at Albuquerque and the Downs will not accept entries from any horse with a positive test.

In addition to the above, the Downs at Albuquerque reserves the right to order additional drug testing above and beyond the drug testing of qualifying horses in trials; specifically, but not limited to: Qualifiers for all early closing stake races must have a negative Hair Test result prior to running in the finals. The test may be administered by the NMSRC or the Downs at Albuquerque, and the samples will be sent to a qualified testing lab for analysis.

Entries from the Also Eligible list will be accepted to fill the vacated spots in the finals.
All nominated horses are subject to a pre-race inspection

CANCELLATIONS

Nominations or subscriptions to this Stake may be refused or canceled without liability, at any time prior to the actual running thereof, except for the return of any nominations and entry fees paid. Downs at Albuquerque reserves the right to cancel or postpone this race and/ or Trials for this race for any reason which it deems good and sufficient, with the consent of the New Mexico Racing Commission.

NOMINATORS RESPONSIBILITY

It shall be the nominator's responsibility to notify the association of ownership and address changes.
It is the responsibility of the nominator to understand the rules and payments on this nomination blank.

Should a malfunction occur with the electronic timer on any time trial, finalists from that time trial will then be determined by official hand times operated by three official and disinterested persons. The average of the three hand times will be utilized for the winning time, unless one of the hand times is clearly incorrect. In such cases, the average of the two accurate hand times will be utilized for the winning time; other horses shall be given times according to the order and margins of finish with the aid of the photo finish, if available.
