The New Mexico Horse Breeders' Association
Board of Trustees, voted on a new
membership requirement policy.

- Starting with 2023 memberships, any Business, Farm, Syndicate, or Stable Name will require its own membership.
- Also, if a horse runs under individual owners names, each co-owner in a partnership must have a membership.

Examples:

- If a horse runs under John, Susie, & Mary Smith, each of the three owners will have to have an individual membership (\$80).
- If a horse runs under a title such as Clover Leaf Farm, Gallegos Stables, TLC Plumbing, or the Big Boy Partners, they will have to purchase a Business, Farm, Stable, or Syndicate membership (\$110).

2023 BOARD OF TRUSTEE NOMINEE BIOS

THOROUGHBRED NOMINEES:

DENISE CHAMBLISS

Denise Chambliss has been involved with horses since she was a little girl growing up in Colorado. She moved to New Mexico in 1969 to attend the University of New Mexico and has been a resident ever since. She graduated from the Anderson School of Management with her degrees in Accounting and Finance. Denise is the controller of a local auto dealership in Albuquerque, a position that is both rewarding and challenging.

Denise has been involved with several equestrian associations over the years, including the AQHA and the WPRA. It is her love of horses that led her to become involved in New Mexico horse racing as an owner then later as a breeder of both quarter horses and thoroughbreds. She is committed to raising and racing her homebreds in New Mexico. To her, there is nothing more exhilarating and rewarding than watching one you have bred and raised run down the track.

As a trustee of the NMHBA, she is committed to facing the challenges of our industry and working diligently to advance horse racing in New Mexico.

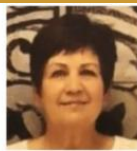

ROGER HOLLAND

My name is Roger Holland, and I am 70 years old. My wife, Melissa and I have been married for 50 years. We moved to Eunice, NM from the Texas Parklands when I began working for Skelly Oil Company. And after 5 different takeovers, and 44 years I retired in 2019. During that time we raised our daughter, son, and granddaughter. We have always been very invested in Eunice. I was on the Eunice City Council for 9 years, and we have been very involved with Eunice Schools.

Livestock has been a major part of the kids, and our lives. The dream of becoming involved in Horse Racing was achieved in 2012. We started with breeding, and racing Quarter Horses. Which lead to the breeding, and racing of Thoroughbreds.

I would be highly honored to be elected to serve on the NMHBA Board of Trustees.

HELEN NAVE

Hobbs, New Mexico has been my home for 66 years. My husband, Steve and I have 2 children and 4 grandchildren. We have a small oilfield fishing tool business which helps finance my horse breeding passion. I started with a NM bred Thoroughbred mare in 2007 and have been racing since 2009. I served on the NMHBA board this past term and would like to continue to serve our membership.

Thank you,

Helen Nave

SUSIE PRATHER

My name is Susie Prather and I own and operate Doubletree Farm in Hobbs, NM. I chose to run for the NMHBA Board of Trustees for a second term.

The TB industry in NM is not only my livelihood but a passion of mine. I want to be apart of helping the NMHBA thrive in NM. We have one of the greatest breed programs in the United States and I will do all within my power to maintain that reputation for the association. Over the past two years I have represented the breeders in many significant issues and I would like to continue. I was voted in by the membership and I always cast my vote accordingly for the membership. I follow no one but the membership's cares and concerns and what's best for the association, I never sway from that and it's well being. I would appreciate your vote to continue serving as a Trustee for the NMHBA.

Have a Blessed Day

Susie

VERNER QUERY

My name is Verner Query and I have been a member of the NMHB Association for many Years.

I have been in the racing industry as an owner, trainer, breeder and buyer for fifty years in New Mexico.

I am the author of THE NEW MEXICO MILLION which is currently being considered by our members to help promote the breeding, sales and racing of the New Mexico bred thoroughbreds.

I am currently serving as a trustee and would be proud to continue serving again if elected.

QUARTER HORSE NOMINEES:

BRIAN ANDERSON

Brian Anderson is a native of Montana who has been involved in horse racing his entire life. Brian and his wife Lisa manage Copper Spring Ranch in Tularosa where they raise running Quarter Horses and performance horses. He is also an avid Pilot and hunter and a gold card member of the PRCA.

DEBRA LANEY

Hi!
My name is Debra Laney. My husband Stacy and I moved to El Paso in 1996 for work and an opportunity to race Quarter Horses.

We have raced and/or raised horses in New Mexico ever since.

I served on the NMHBA for 4 years, and resigned due to my husband's illness. Since his passing this February, I feel I have time to devote once again to the NMHBA.

We have had a Bloodstock Agent Business, representing race horses and barrel horses, for the past 4 years (debralaney.com).

I am excited about the strength in the race horse market, and the NM bred racing opportunities the NMHBA has been instrumental in negotiating.

I feel I would be an asset to the NMHBA, it's members, and the racing industry. I would be honored to have your vote.

Thank you!

MIKE LOGAN

I am both an owner and breeder of racing quarter horses since 1976. In 2014 my wife Yealonda and I moved near Hondo, NM where we manage the daily operation of our horse farm.

I am nearing the end of my first term as a NMHBA board member. I have had the pleasure of serving as the Vice President in 2020, 2021 & 2022.

During my terms I have worked on several projects, including the Stakes Committee and the Race Dates Committee. I am committed to continue working to reward owners and breeders for their investment in the New Mexico Horse Breeder Assoc.

Thank you for your consideration.

Mike Logan

PATRICK SANDERS

My name is Patrick Sanders. I was born into the racing industry, traveling from different tracks hauling horses. I grew up going almost every weekend to Trinity Meadows. I just loved the track and love horses. I am beyond passionate about the sport and the ones that know me know it has been a long road for me to get where I am today.

I started saving back in high school for my own racehorse and after losing the two most influential people to me in the business - my grandfather Jim Sanders and later, suddenly Henry Dominguez - I had no choice but to just go for my dream. 18 years later from the day I started saving I bought Jerry James and we had a great three year run. I was extremely honored when Linda Manion wanted to paint me a picture because she was so touched by my story and how truly passionate I am for horse racing.

I have met a lot of great people and am ready to help make this industry what it should be. I'm a honest person who will always put the horse first. I'm not in this for money or fame; I could care less who knows me. It's the true passion I have for it that drives me - I want the pictures, the memories and in the end, just knowing that when it all comes down to it, I always did it for the right reason.
