THE NEW MEXICO HORSE BREEDERS ASSOCIATION HAS THREE SEPARATE REGISTRIES:

1. Registration of a **New Mexico Bred**, which is affixing our seal and registration number on the foal certificate.
2. Registration of a mare in our **permanent BROODMARE registry**.
3. Registration of a stallion in our **permanent STALLION registry**.

ALL HORSES AGE ON JANUARY 1

1. For registration of a **New Mexico Bred**:

A foal born in 1982 or thereafter will be eligible for registration **AS A NEW MEXICO BRED** if:

- (a) The foal's sire was registered in the **STALLION** registry **before time of breeding**.
- (b) The foal's dam was registered in the **BROODMARE** registry **no later than September 1 of the year the dam was bred**.
- (c) Should the mare leave the state after being bred and prior to foaling, a fee of \$500 will be due in addition to any other normal, applicable fees (contact the NMHBA for required forms). The resulting foal from said breeding must be born in New Mexico in order to be considered a New Mexico Bred foal. The deadline for this program is October 1st of the year bred, after October 10th the fee will increase to \$1,000.

Otherwise, the foal's dam must remain in the state of New Mexico during pregnancy and foaling (unless prior written approval for the mare to leave the state temporarily was obtained from the Board of Trustees). The Board of Trustees, at any time, can demand that the Owner of the mare in question submit to the Board sufficient proof that the horse remained in the State of New Mexico during pregnancy and foaling. **TRUSTEE APPROVAL IS NOT REQUIRED FOR EMERGENCY VETERINARIAN CARE.**

USE FORM #100 FOR REGISTRATION OF A NEW MEXICO BRED
USE FORM #100A FOR REGISTRATION OF A NEW MEXICO BRED THAT IS THE RESULT OF AN EMBRYO TRANSFER.

2. For registration of a New Mexico **BROODMARE**: **FEE \$100**

The mare must be registered in the Association's **BROODMARE** registry no later than **September 1 of the year the mare is bred**. (The following penalties will apply after September 1st. If you miss registering the broodmare by September 1st of the year of breeding, the penalty on the foal is \$350.00. If you miss a second September 1st deadline, the penalty will be \$700.00 and if you miss a third September 1st deadline the penalty will be at the maximum of \$1,500.00. If you pay a penalty, any younger foals out of that same broodmare will be covered under that penalty.)

USE FORM #200 FOR REGISTRATION OF A BROODMARE

All recipient mares must also be registered in the **BROODMARE** registry no later than September 1 of the year of the embryo transfer. (Penalties on the foal will apply after that date.)

3. For registration of a New Mexico **STALLION**: **FEE \$400**

The stallion must be tested for EVA and have an annual vaccination for EVA **before each breeding season**. You must furnish the negative EVA laboratory results and the EVA certificate completed by your veterinarian. The stallion must be registered in the Association's **STALLION** registry **before time of breeding**. (Late stallion registry requires a penalty of \$1,500.00 on each foal.)
