TRUSTEE NOMINEES

Below are the NMHBA Trustee Nominees that were selected by the membership to be on the ballot:

Quarter Horse Trustee Nominees

NORMA ALVAREZ

Marrried to Ramon (Doo) Alvarez since 1992, who is a farmer in the Mesilla Valley, New Mexico. We have bred and raised Quarter Horses since 1983. We have 2 sons, Seth Ferguson who is a Trainer and Doel who manages the farm.

I have been honored to serve the New Mexico Horse Breeders Association (NMHBA) Board for a cumulative 20 years helping to accomplish New Mexico Breeds Incorporated in open races, various advertising initiatives, and the Broodmare Export Program. I am currently serving on AQHA Racing Committee and AQHA Champion Selection Committee.

MARK BROWN

My name is Mark Brown. My wife Peggy and I have raised quarter horses for over 30 years and have raced in 8 states. We moved to New Mexico in the spring of 2019. I'm serving my 5th year as a member of the AQHA racing committee, of which I served 3 years as chairman, and 3 years on the AQHA Racing Council. We feel that the racing potential in New Mexico can be and should be the best in the country. I've had the pleasure of serving as a trustee on the NMHBA the past two years.

As an industry we have had trying times in the time with no unified sense of direction. This must change for our industry to thrive. As an industry we must put our personal agendas aside and look to the betterment of the industry. This includes the racing commission, track management and horsemen's groups. We must put together a 5 year plan of building the industry for the better. That includes enough racing days so our horses we breed have enough opportunities to run. That the purses at each track are fair and equitable for all to run at. A change in breeder and stallion awards to encourage a growth in numbers and quality to give our tracks a quality product to market. The welfare of our equine athletes can't be jeopardized by the use of illegal drugs, unsafe track conditions or poorly maintained barn areas. If we are to succeed, all parties must negotiate and compromise in good faith. If not, we as an industry are doomed to fail.

Thank you for your consideration -
Mark Brown

LESLIE FINCHER

Transplanted in 1985 from Denver, Colorado to Albuquerque, NM. Have held various professional racing licenses from groom, pony person, outsider, exercise rider, owner, trainer, (Quarter Horse & Thoroughbred) assistant starter, horsemen's bookkeeper, accredited ARCI steward and did excel spreadsheets for the NM Horsemen's Association. I also worked as an entry clerk, receptionist and was the director of publications for the Downs at Santa Fe. I worked for two years as a veterinarian assistant in the off season.

I led for leading trainer in 1985 at La Mesa Park in Palton, NM and was leading trainer at the Downs of Albuquerque in 1986.

I was married to a jockey, have two sons both who rode as professional jockeys and have since graced the racing scene as well respected trainers.

Currently an Associate Broker for Berkshire Hathaway HomeServices NM Properties.

EZRA LEE

Hello, my name is Ezra Lee. I have been involved in the horse racing industry since my teenage years, when I helped my grandparents transport their horses to tracks in the Northwest Circuit. I caught the racing bug then and am still carrying on with their breeding program today. I live in Southwest Colorado with my wife and two sons, which gives me a close proximity to New Mexico, where I race most of my horses. I have been a member of the NMHBA since 2014. I own multiple businesses in New Mexico and Colorado, and farm hay and raise cattle on the side, including two large ranches in the Blanco, NM area. This experience gives me a business-minded perspective as a board member. I look forward to serving all who choose to breed and race horses in one of the best state bred programs in the nation!

PATRICK SANDERS

My name is Patrick Sanders. I was born into the racing industry, traveling from different tracks leading horses. I grew up going almost every weekend to Trinity Meadows. I just loved the track and love horses. I am beyond passionate about the sport and the ones that know me know it has been a long road for me to get where I am today.

I started saving back in high school for my own racehorse and after losing the two most influential people to me in the business - my grandfather Jim Sanders and later, suddenly Henry Dominguez - I had no choice but to just go for my dream. 18 years later from the day I started saving I bought Jerry James and we had a great three year run. I was extremely honored when Linda Marion wanted to paint me a picture because she was so touched by my story and how truly passionate I am for horse racing.

I have met a lot of great people and am ready to help make this industry what it should be. I'm a honest person who will always put the horse first. I'm not in this for money or fame, I could care less who knows me. It's the true passion I have for it that drives me - I want the pictures, the memories and in the end, just knowing that when it all comes down to it, I always did it for the right reason.

DREW SWASEY

It is an honor to be nominated for the NMHBA Board. I have been involved in Breeding and Racing Quarter Horses since childhood, working with my family in a small breeding/Racing operation. I followed the industry peripherally after leaving home for church service, then College, Medical School, and Military Service. My father introduced me to the New Mexico Bred Program, and with the benefit of the NM Export Broodmare Program, I have been active in breeding and raising NM Bred Quarter Horses for several years. I recently moved to the great state of New Mexico to practice Medicine and be closer to the sport I enjoy. In addition to my membership in the NMHBA, I am currently on the Sunray Park Horsemen's Committee.

The NM Bred program has been exceptional from my first introduction. The horsemen that developed this program deserve our respect and appreciation. The traditions and organizations that have supported and allowed the program to succeed should remain an important part of our industry. If elected to the NMHBA board, I will support continued effective policies, beneficial compromise, and well-studied changes that will expand opportunities for Breeders, Owners, and supporting Businesses. The current environment requires that we develop solutions to allow for the industry to grow, otherwise political pressures and misguided opinions will cause our industry to lose ground. I want to see the traditional breeder and owner operations expanding, while allowing new breeders, owners, and members an opportunity to participate successfully. Expansion of the NMHBA and the horse racing industry should be our goal. If you share my opinion, then I would be happy to represent you.

Thoroughbred Trustee Nominees

PIERRE AMESTOY JR.

I have been in the horse business in many aspects.

I started as a Jockey agent in the late 70s and 80s and learned the backside intricacies, including Racing Office, condition books and racehorse planning. From there I moved onto breeding and owning horses for the last 30 years in New Mexico.

I can bring a wealth of experience to the board which will include raceback experience, breeding experience, owners experience, and managing a broodmare band and foals.

My interest of being on the board is to help protect our New Mexico bred industry, and New Mexico breeders program. I don't want to let the commission or the race tracks out racing dates in New Mexico any further. It hurts us as owners, it drops the value of our horses as Breeders and I want to ultimately keep our program intact. But also understand we may need to make adjustments to grow our association and our membership in the association.

Thank you,
Pierre Amestoy

C. WARREN FRANKLIN

Hello, my name is Warren Franklin. I have been a practicing equine veterinarian in New Mexico for the last 34 years. My family has been involved in New Mexico racing for over 50 years. We have bred and raced both thoroughbreds and quarter horses for many years and see the threats this industry is facing. Times are vastly different than they were 20 years ago. We need to be politically active to protect racing in New Mexico. I believe we also must be open to change that improves racing and breeding but unafraid to stop changes that we feel are detrimental. The main goal of a NMHBA trustee is to wisely represent all NMHBA members. That requires listening to the wishes of members as well as careful, thoughtful compromise.

For the above reasons, if elected, I would be proud to serve another term as an NMHBA trustee.

Sincerely,
Warren Franklin, DVM

TOM GONCHAROFF

I have been married to my wife Leslie for nearly 41 years. We have two daughters, Kristen and Rebecca. Kristen works in the thoroughbred industry managing the equine portfolio for a prominent owner. Her husband Anthony is assistant trainer to Shug McGaughey. They have blessed us with our first grandson, Rebecca is a teacher in Thailand.

I began my career in the horse business as a groom/barn foreman in 1977, and subsequently worked on a farm in Southern California breeding Thoroughbred and quarter horse yearlings.

I then became the assistant and then farm manager at Vossels Station Farm, standing stallions such as Timoteo Thinker and Beakano.

I managed R.D. Hubbard's farm and racing stable for 20 plus years in Kentucky and then in New Mexico when Mr. Hubbard moved his operation there, for a total of 34 years.

Following Mr. Hubbard's passing, Leslie and I bought our own small farm in Tularosa.

While in Kentucky, I served on the board of the Gluck Center for Equine Research at the University of Kentucky, which was an invaluable experience.

I have been a NMHBA board member for 10 years, have previously served as first vice president, and have been serving as president since 2019.

I am proud to have served on the board and feel that collectively we have accomplished a great deal to the benefit of the members.

There's always more to do and room for improvement, if elected, my promise is to continue to strive for progress to the benefit of our hard working members whose livelihoods depend on it.

PAMELA SENA

My name is Pam Sena and I have been breeding and raising horses in New Mexico for 23 years. I grew up in the southwest, showing quarter horses later started raising New Mexico Bred quarter horses for the sales, which then lead to naming horses. The last five years I have managed a small partnership of thoroughbred racehorses, and we run under the name of Dilly Dilly Racing. We run New Mexico breeds and open thoroughbreds.

New Mexico has one of the best breed programs in the nation and I am determined to keep it that way! With all the interference of the race tracks and the NMRC, it is a struggle for the Breeders and Owners right now. We need to stand together and work with our legislators to promote horse racing, the 3rd largest industry in New Mexico, and get back our race slots, and more NM Bred races.

I will represent the breeders across the state and will fight to improve racing in New Mexico.

Thank you for your consideration!!

NANCY SUMMERS

Hi,
I am a NM trainer and breeder. I have been a Trustee for the last 2 years, and have enjoyed working with my other Trustees on helping NM and its breed program. I would like to continue.

Thank you.

JAY TAYLOR

I am a native New Mexican and live in the South Valley of Albuquerque. My wife and I have a small broodmare band of 6 thoroughbreds and a stallion. We try to market all our horses, but we do race a few. I have previously served on the NMHBA Board of Directors for 10 years during which time we made numerous changes to the Association. We moved our office location, restructured our office staff, implemented new cost cutting procedures, and created our negative cash flow into a positive, and many more. Today our industry is very diverse. We need to find a way where all parties involved can work together to improve our industry for everyone.

PEPPERS PRIDE

New Mexico-Bred Mare

PEPPERS PRIDE

Inducted In Ruidoso Downs Racehorse Hall Of Fame

Peppers Pride, a homebred 8-year-old mare by Desert God who raced for Joe Allen of Abilene, Texas, was inducted into the Ruidoso Downs Racehorse Hall of Fame last summer.

Racing from 2005-08, Peppers Pride won all 19 of her starts, and she holds the North American record for consecutive wins by a Thoroughbred racehorse. Her career earnings reached \$1,066,085, and she won a total of 14 stakes while competing exclusively in New Mexico.

Three of Peppers Pride's victories came at Ruidoso Downs, including the 5 1/2-furlong, \$87,841 Rio Grande Seniorita Futurity (R) in 2005, and the 6-furlong,

\$45,000 Lincoln Handicap (R) in '07.

Joel Marr trained and Carlos Madeira rode Peppers Pride during her entire 19-race career, which began with a victory in a Rio Grande Seniorita Futurity trial on July 16, 2005.

Peppers Pride won New Mexico Cup stakes at Zia Park every year she was in training. In her honor, the New Mexico Cup Fillies & Mares Championship has been renamed the New Mexico Cup Peppers Pride Fillies & Mares Championship.

Peppers Pride is currently owned by Joe Allen and Michael Stinson. The mare is currently boarded at Taylor Made Farm at Nicholasville, Kentucky, and on February 19 she produced her first live foal, a

chestnut filly by Distorted Humor.

Peppers Pride joined owner and breeder John T.L. Jones Jr., trainer John Bassett, and jockey Jerry Burgess as a member of the 2011 Hall of Fame class.

Jones is a longtime Thoroughbred and Quarter Horse owner and breeder who has won several graded Quarter Horse stakes at Ruidoso Downs. After he was inducted, one of his homebreds, Ochoa, won the \$2.4-million All American Futurity (G1) on Labor Day, the richest race in the sport's long history.

Also, Jones introduced influential Thoroughbred stallions to Quarter Horse racing, including Favorite Trick, Hempen, Master Hand, and What Luck.
