

New Mexico Horse Breeders' Association

EXPORT BROODMARE FORM
FOR BROODMARES RESIDING OUTSIDE THE
STATE OF NEW MEXICO

All foals MUST BE conceived and born in NM to be eligible for NM Bred status. If a registered NM Broodmare in foal to a registered NM Stallion leaves the state of New Mexico:

- this application and the \$500 fee must be postmarked no later than the deadline of October 1st of the breeding year.
If the application and \$500 fee are NOT received by October 10th, the fee increases to \$1,000 for the foal to be eligible for NM Bred status.
If the Broodmare leaves NM AFTER October 1, a grace period of ten (10) days will be granted for this form to be submitted and the \$500 export fee to be paid for the foal to be eligible for NM Bred status. If the broodmare is a Recipient, the Donor mare must also pay the \$500 export fee and submit this form if she also leaves the state of New Mexico.

## **EXPORT BROODMARE INFORMATION**

- **First your mare MUST be registered with the NMHBA no later than September 1st of the breeding year or penalties will apply.** It costs \$100.00 to permanently put a mare into the broodmare registry. Current membership is also required.
- In the case of Quarter Horses and Embryo Transfers, **BOTH** the donor mare and the recipient mare must be registered with us. If you're ever unsure of the status of a broodmare, please check the horse directory under active broodmares or give us a call. We are more than happy to look them up.
- Your accredited New Mexico Broodmare must then be bred in New Mexico to an accredited NM Stallion. You can always check our website at nmhorsebreeders.com under the stallion directory for active stallions or call the office.
- Once an accredited New Mexico broodmare is in foal she may leave the state of New Mexico but the following requirements must be met:
  - **The Form for a New Mexico broodmare to leave the state of New Mexico must be filled out and the \$500.00 fee paid for by October 1st of the breeding year.** If you miss the October 1st deadline a \$1,000 fee will then be in place after October 10th. If the mare should reside in New Mexico and then leave the state AFTER October 1st you will have ten days to submit the form and pay the \$500.00.
    - For embryo transfers you must pay for each mare that leaves the state.
    - **Every donor mare and every recipient mare that is taken to board out of state must have their own form filled out and you must pay \$500.00 for each or the larger \$1,000 penalty if the October 1 deadline is missed.**
    - An open donor mare DOES NOT have to come back to the state of New Mexico after leaving but does have to pay the \$500.00 fee.
    - **Any mare carrying a New Mexico Bred foal MUST come back to New Mexico before foaling.**
- **You must bring your accredited broodmare back to New Mexico and the foal MUST be born here, no exceptions will be made.**
- Once the foal has been born in New Mexico it may leave the state, it does not need to stay in New Mexico for any extended amount of time.
- Don't forget to fill out your membership application if you haven't already and submit your New Mexico Bred applications.
- A common misconception is that you must wait until the foal is registered with either the American Quarter Horse Association or the Jockey Club. You **DO NOT** need to wait and it's better if you don't - foals are only \$60.00 the weanling year to register. The registration can then be completed once the registration certificate becomes available. Your horse is not considered a NM Bred until it has been assigned a registration number by our office.

### **EXCEPTION (Bylaw change January 25, 2024):**

**1. All assisted reproduction techniques including but not limited to the transfer of embryos or oocytes must be performed within the State of New Mexico unless the service is not readily available in the state. OOCYTES may be done in other states if the out-of-state ICSI requirements are followed. The mare would be required to be enrolled in the Export Broodmare Program by October 1st of the year she was taken out of New Mexico.**

**If you ever have any questions or doubts, PLEASE reach out to us. We are always more than happy to help. There are no stupid questions, and we would rather you have the correct information than have to pay high penalties or lose accreditation rights because things were not done correctly.**
