

New Mexico Horse Breeders' Association

EXPORT BROODMARE FORM

IF YOUR MARE HAS HAD THE ICSI PROCEDURE PERFORMED, PLEASE USE THE ICSI EXPORT BROODMARE FORM INSTEAD OF THIS ONE.

All foals MUST BE conceived in NM to be eligible for NM Bred status, (exception for ICSI only). If a registered NM Broodmare in foal to a registered NM Stallion leaves the state of New Mexico:

Mares carrying their own foals and Donor Mares must have spent a minimum of 30 consecutive days in New Mexico the year of breeding AND the year of pregnancy before they leave the state, or this application will be voided and money refunded.

- this application and the \$500 fee must be postmarked no later than the deadline of October 1st of the breeding year.
If the application and \$500 fee are NOT received by October 10th, the fee increases to \$1,000 for the foal to be eligible for NM Bred status.
If the Broodmare leaves NM AFTER October 1, a grace period of ten (10) days will be granted for this form to be submitted and the \$500 export fee to be paid for the foal to be eligible for NM Bred status. If the broodmare is a Recipient, the Donor mare must also pay the \$500 export fee and submit this form if she also leaves the state of New Mexico.

NAME OF MARE LEAVING NEW MEXICO:
TB QH/Grade Mare Is the mare carrying a foal? Yes No

IF THIS IS A RECIPIENT MARE CARRYING AN EMBRYO TRANSFER:

Name of Donor Mare:

If the Donor Mare is not in foal to a NM Stallion, she does not need to return to NM, but the \$500 fee must still be paid by October 1st or the larger fee of \$1,000 will be charged after Oct. 10th.

All mares in foal MUST return to NM before foaling, or there will be a \$500 Foaling Out of State Fee due at time of registration of the foal, starting with foals born in 2025. Foals born out of state before 2025 are not eligible to be NM Breds.

Date of Arrival in NM: or Mare lives in NM Date of Departure:

Departing from what Location: Address City Zip

Location residing out of state: Address City Zip

Stallion Bred To: Last Breeding Date:

I have read and agree to be bound by the terms of this agreement and have followed the New Mexico Horse Breeders Association By-Laws and Rules and understand it is my responsibility to provide accurate information or application may be denied.

Signature Date

FEE \$500 - ALL FEES ARE NON-REFUNDABLE
INCOMPLETE FORMS WILL BE RETURNED

EXPORT BROODMARE INFORMATION

- **First your mare MUST be registered with the NMHBA no later than September 1st of the breeding year or penalties will apply.** It costs \$100.00 to permanently put a mare into the broodmare registry. Current membership is also required.
- In the case of Quarter Horses and Embryo Transfers, **BOTH** the donor mare and the recipient mare must be registered with us. If you're ever unsure of the status of a broodmare, please check the horse directory under active broodmares or give us a call. We are more than happy to look them up.
- Your accredited New Mexico Broodmare must then be bred in New Mexico to an accredited NM Stallion. You can always check our website at nmhorsebreeders.com under the stallion directory for active stallions or call the office.
- Once an accredited New Mexico broodmare is in foal she may leave the state of New Mexico but the following requirements must be met:
 - **The Form for a New Mexico broodmare to leave the state of New Mexico must be filled out and the \$500.00 fee paid for by October 1st of the breeding year.** If you miss the October 1st deadline a \$1,000 fee will then be in place after October 10th. If the mare should reside in New Mexico and then leave the state AFTER October 1st you will have ten days to submit the form and pay the \$500.00.
 - For embryo transfers you must pay for each mare that leaves the state.
 - **Every donor mare and every recipient mare that is taken to board out of state must have their own form filled out and you must pay \$500.00 for each or the larger \$1,000 penalty if the October 1 deadline is missed.**
 - An open donor mare DOES NOT have to come back to the state of New Mexico after leaving but does have to pay the \$500.00 fee.
- All mares must return to NM before foaling or there will be a \$500 Foaling Out of State Fee due at time of registration of the foal, starting with foals born in 2025.
- Don't forget to fill out your membership application if you haven't already and submit your New Mexico Bred applications.
- A common misconception is that you must wait until the foal is registered with either the American Quarter Horse Association or the Jockey Club. You **DO NOT** need to wait and it's better if you don't - foals are only \$60.00 the weanling year to register. The registration can then be completed once the registration certificate becomes available. Your horse is not considered a NM Bred until it has been assigned a registration number by our office.

EXCEPTION (Bylaw change January 25, 2024):

1. All assisted reproduction techniques including but not limited to the transfer of embryos or oocytes must be performed within the State of New Mexico unless the service is not readily available in the state. OOCYTES may be done in other states if the out-of-state ICSI requirements are followed. The mare would be required to be enrolled in the Export Broodmare Program by October 1st of the year she was taken out of New Mexico.

If you ever have any questions or doubts, PLEASE reach out to us. We are always more than happy to help. There are no stupid questions, and we would rather you have the correct information than have to pay high penalties or lose accreditation rights because things were not done correctly.

Call NMHBA at (505) 262-0224.
